

Community Choice Aggregation (CCA) allows local governments to pool (or aggregate) their electricity load in order to purchase and/or develop power on behalf of their residents, businesses, and municipal accounts.

The first CCA Program in New York State is being launched in Westchester County by Sustainable Westchester Inc on behalf of our member municipalities that wish to participate.

- SW Member Municipality
- SW member and CCA Local Law adopted (aggregated data received)
- (aggregated data to come)*

The Sustainable Westchester mission:

Sustainable Westchester is a consortium of Westchester County local governments that facilitates effective sustainability initiatives, engages community stakeholders, and shares tools, resources, and incentives to create more healthy, vibrant and attractive communities, now and in the future.
