

*The HeatSmart Bedford-Lewisboro-Pound Ridge campaign has come to a close. However, homeowners are still encouraged to contact a contractor for a site assessment. Rebates and incentives are still available for all NY State Homeowners to upgrade to clean heating and cooling technologies. Please use the resources on this page!*

## PARTNERSHIP INFORMATION

The towns of Bedford, Lewisboro and Pound Ridge are happy to announce an opportunity to significantly reduce your home energy consumption, lower your energy bills, cut greenhouse gas emissions, and increase the year-round comfort and value of your home with HeatSmart Westchester!

HeatSmart Westchester is brought to you by a partnership of Sustainable Westchester, Energize NY, Abundant Efficiency and NYSERDA, with one simple mission: help local homeowners learn about improved clean energy choices for their homes. This community outreach program connects you to local heating and cooling and energy efficiency experts who offer the latest clean energy technologies including air source and geothermal heat pumps and energy efficiency improvements.

With HeatSmart Westchester, the path to a more energy-efficient home is straightforward, headache-free, and affordable.

Lewisboro  
 Sustainability  
 Committee

## HEATSMART STEPS

### Step 1: Apply for a free Home Energy

Assessment and find out which technologies your home qualifies for. The process is quick and easy.

### Step 2: Assess

A HeatSmart-approved local contractor completes an energy assessment of your home, and gives you a detailed report outlining the results and recommendations.

### Step 3: Finance

Choose the financing option that makes the most sense for you. In many cases, a homeowner's annual savings meet or exceed the annual loan costs.

### Step 4: Upgrade.

Your HeatSmart-approved contractor installs the technologies your home, you enjoy comfort and cost savings, and we all benefit from your home's reduced greenhouse gas emissions.

# UPCOMING EVENTS

## Past event listings

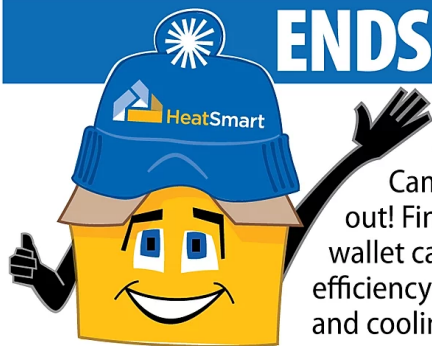

### HEATSMART RECOGNITION EVENT

Tuesday November 19th  
Bedford Town Court

Join us at the Bedford Town Board Meeting for a Recognition Event honoring all the homeowners who have participated in the HeatSmart campaign!
