

GridRewards™ 2021

You have completed your GridRewards™ season and can see your 2021 rewards on the home screen in the app. Now what?

There are three options for redeeming your rewards:

- **Instant** - This option will send a Paypal link to the email associated with your account, with instructions for you to redeem the payment directly through Paypal.
- **Mail** - This option will send a physical check in the mail to the address on your ConEd account. If you prefer to provide a different address than the one that is already on your ConEd account, you may contact gridrewards-payments@logicalbuildings.com by December 17th 2021.
- **Donate** - This option donates 100% of your GridRewards™ earnings directly to the nonprofits listed in the app. 100% of the donation is divided amongst these organizations.

You may select your payment type on or before **December 17th 2021**. If at that point you have not made a selection, in the days following you shall automatically receive an email from Paypal notifying you of a payment link when the payment is available to redeem. After 30 days, if the Paypal payment is not redeemed, a physical check shall be sent in the mail to the address on your ConEd account.

Please contact gridrewards-payments@logicalbuildings.com for assistance with any payment issues.

"Refer a Friend" benefits will be applied to next season's 2022 rebates.

NAVIGATING THE APP

Ensure that your app is operating on the most current version of GridRewards™: Version 1.2.2

1. Open the app and navigate to the **Payment Preferences** tab. There are several options to select from: Instant, Mail, and Donate. 100% of your GridRewards™ earnings shall be delivered by the method you select.
2. Tap on the banner of the payment type you wish to select.
3. You can change your payment preferences through December 17th 2021.
