LIMITED QUANTITY
ONLY AVAILABLE THROUGH
SUSTAINABLE WESTCHESTER
UNTIL Apr 1 2019

- ◆ **NO GASOLINE, NO OIL CHANGES EVER—LOW MAINTENANCE**
- ◆ **SAVE 50% PER MILE VS GAS**
- ◆ **8 YEAR/100K LIMITED BATTERY WARRANTY**

PERFECT LOCAL CAR

- ◆ **Travel 150 miles on a charge**
(Average person drives <30 miles/day)
- ◆ **Charge in your own garage or yard**
(a regular 120v plug overnight will refuel for all your local driving!)
- ◆ **2 Years FREE Public Charging**
(some restrictions apply)
- ◆ **2 Years FREE Towing** to the nearest charger *(in the event that you forget to charge)*
- ◆ **ConEd will Pay You to Charge at Night**
(even if you live elsewhere, but charge in ConEd territory)

All Sustainable Westchester members *(everyone who lives, works, or goes to school in Westchester)* qualify for this opportunity:

1. Go to www.sustainablewestchester.org/
2. Fill out the form and download the certificate
3. Bring the dealership your certificate, this flyer, & proof of residency, school, or employment

MORE REASONS TO GO ELECTRIC

- ◆ **PERFECT LOCAL CAR:** **90% of most people's trips are less than 30 miles.** The Leaf's 150 miles per charge is five times more than needed for most travel about town.
- ◆ **CONVENIENT:** **Plug into a regular electric outlet at night, drive all day!**
- ◆ **Discounted Level 2 CHARGING Cord:** Get a faster 220 volt charging cord with your purchase. Have your own electrician install a 220v plug, or choose the dealer's installation
- ◆ **ConEd CASH INCENTIVES:** **The utility will pay you \$150 when you sign up, and an additional \$200-\$400 per year to charge at night!** (even if you live elsewhere, you can still participate, as long as you charge once a month in ConEd territory)
- ◆ **2 YEARS FREE PUBLIC CHARGING:** Receive a Nissan Fuel Card at time of purchase (*some restrictions apply*).
- ◆ **2 YEARS FREE TOWING:** Nissan will tow you to the nearest charging station if you run short on your charge.
- ◆ **FINANCIALLY PRUDENT:** **Driving an Electric Vehicle (EV) costs 50% LESS per mile than most gas cars.** (*Save even more with Solarize or Westchester Power*).
- ◆ **MINIMAL MAINTENANCE:** Instead of the 2,000 moving parts in a gas car—
an EV has about 20 moving parts! No more oil or transmission fluid changes—EVER!
- ◆ **SUSTAINABLE:** No emissions, no dirty gas, and less greenhouse gases.
- ◆ **HEALTHY:** Breathe easier with zero tailpipe emissions.
- ◆ **DOING YOUR PART!** Show your kids & neighbors how you are helping create a cleaner, more sustainable future.
- ◆ **TRENDY:** It took the world 20 years to get the 1st million EVs on the road - *but only 18 months for the 2nd million, & 8 months for the 3rd.* **Now there are 5 Million EVs!**
EVs are coming - fast!

MOST of the time: *just charge overnight
in your garage for all your local needs.*

**You can also take advantage of
140+ EV charging stations in Westchester**
