

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered into by and between:

Sustainable Westchester, Inc., a New York non-profit corporation (“Sustainable Westchester”), and the City/Town/Village of Rye (the “Municipality”), a local government member of Sustainable Westchester (each a “Party” and collectively, the “Parties”).

1. Background:

- a. In February 2015, the New York Public Service Commission issued an Order for Case 14-M-0564 as follows: “The Petition of Sustainable Westchester is granted to the extent that its municipal members are authorized to undertake a Community Choice Aggregation demonstration project consistent with the discussion in the body of this Order...”
- b. The PSC subsequently issued an Order for Case 14-M-0224 on April 21, 2016, which authorized Community Choice Aggregation (“CCA”) throughout New York State (the “CCA Order”) and on November 15, 2018 issued the “Order Approving Renewal of the Sustainable Westchester Community Choice Aggregation Program” reauthorizing the Sustainable Westchester CCA program under a Master Implementation Plan.
- c. Sustainable Westchester’s CCA Program enrolled customers from an initial group of 20 participating municipalities in April 2016. Since then, seven additional municipalities have joined and several other municipalities are actively working towards participation.
- d. For municipalities in the Con Edison utility territory, the current Electric Service Agreement for the Sustainable Westchester CCA Program will terminate on December 31, 2020
- e. In compliance with the PSC CCA Orders, the Municipality has adopted local legislation to enable Community Choice Aggregation.
- f.
