

Dear Neighbors and Friends,

Have you seen Sustainable Westchester's Summer Bingo Challenge game found on our social media pages?

What a great way to jump-start or add to your environmentally friendly activities this summer. Playing along is good for the community, the planet and you -- taking action gives you a chance to be entered to win one of three great prizes.

Get involved by doing small actions that can make an overall positive impact on the environment; while connecting with community and friends. Parents have your kids join in on the fun too, make memories together, and learn sustainable habits that can last a lifetime!

This weekend could be a great time to start.

JOIN OUR SUMMER SUSTAINABLE WESTCHESTER BINGO CHALLENGE

Take any of the daily actions below towards a more sustainable life. When completing your activities, take a picture (or share a post) and tag us @sustainablewestchester #swbingo for one entry to our sweepstakes -- win a sustainable prize valued at \$100!
