

DAY 1: WEBINAR & WORKSHOP!

November 10

12-1:00 PM: Presentations

1:00-1:30 PM: Breakout Workshops

On ZOOM

[REGISTER HERE*](#)

Sustainable Westchester along with our partners, American Green Zone Alliance (AGZA) and Quiet Communities, Inc (QCi), invite you to learn about:

- Eliminating toxic exhaust
- Reducing carbon footprint
- Reducing noise pollution dramatically
- Protecting children and public health
- Saving money on fuel and maintenance costs

AGZA and QCi will provide you with the tools to begin the process of creating AGZA Certified Green Zones® in your municipality.

Hear from:

- The Larchmont Environmental Committee - the 1st AGZA Certified Green Zone® in Westchester
- The Lewisboro Environmental Committee - gas to electric equipment exchange program
- And the County, too!

DAY 2: ELECTRIC LAWN EQUIPMENT DEMONSTRATION

November 16

11-1 PM

Crawford Park (122 North Ridge Street, Rye Brook)

IN PERSON EVENT

[REGISTER HERE*](#)

(A separate registration is required)

- Try the latest electric landscaping equipment
- Meet the regional reps from equipment manufacturers
- Get a closer look at the best features & comparisons

We look forward to seeing you.

***Open to: Municipal Officials, Parks and Public Works Departments, Sustainability Leaders and Committees, School Districts, Large Campus Facilities, Property Owners and Developers**
