Understand energy use and costs

Green Jobs – Green New York Energy Study

Your custom energy study will include:

- Comprehensive facility walk through
- Site staff interviews
- Utility bill analysis
- Fuel-neutral, unbiased evaluation of potential low-cost/no-cost and capital improvement energy efficiency upgrades
- Report that outlines potential energy and cost savings opportunities for your facility

Once the study is complete, we will help identify potential utility incentives and low-cost financing options so you can take the next steps toward implementing energy saving projects.

Customer Study Contribution

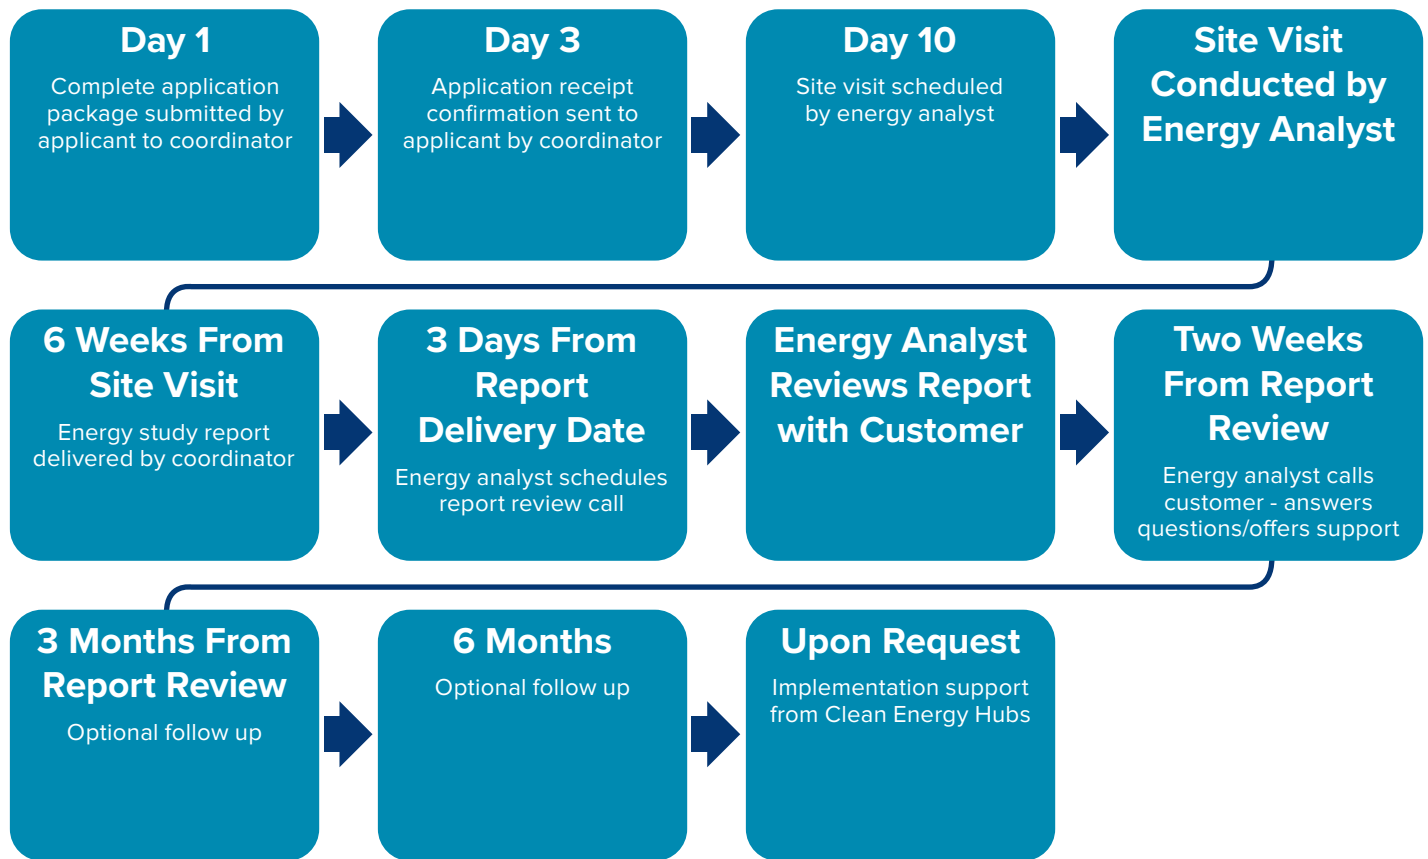

FTE Working in an Eligible Space/Facility	Cost-Share per Facility	
	Small Commercial	Not-For-Profit
10 FTE or less	\$100	\$100
Over 10 FTE and 50 FTE or less	\$250	\$250
Over 50 FTE and 100 FTE or less	\$500	\$500
Over 100 FTE	n/a	\$500

The cost of the study is subsidized by NYSERDA.

Eligibility	Sector: Small Business <input type="checkbox"/> Not-For-Profit <input type="checkbox"/> Small Business is defined to be one which is resident in the State of New York, independently owned and operated, not dominant in its field and employs one hundred persons or less. Not-For-Profit is defined to be a corporation formed exclusively for purpose or purposes, not for profit or financial gain, and where no part of the assets, income or profit is distributable to or benefits its members, directors, or officers except as allowed by statute. No. Full Time Equivalent Employees At Applicant Facility _____
-------------	---

I, the Applicant, certify that I am authorized to act on behalf of the facility and that the information as part of this application, including Number of Employees and Sector are true to the best of my knowledge.

I, the Applicant, also certify that NYSERDA does not provide any endorsement of the Consultant's capabilities to provide services outside of the Green Jobs Green New York Energy Study to be conducted pursuant to this agreement. The Applicant acknowledges that neither NYSERDA nor its consultant is responsible for assuring that the design, engineering or installation of any recommendation of the technical service is proper or complies with any particular laws (including patent laws), codes, or industry standards. Overall NYSERDA does not make any representations of any kind regarding the results to be achieved or the adequacy or safety of any recommendation. NYSERDA does not endorse, guarantee, or warrant any particular manufacturer or product, and NYSERDA provides no warranties, expressed or implied for any product of service.

I authorize the New York State Energy Research and Development Authority (NYSERDA), and its designated representatives, to access energy billing and consumption data for my site(s). This authorization automatically terminates at the end of eight years following the date of Application. As an authorized representative of the site(s) listed in this Application, I authorize NYSERDA, and its designated representatives, to access and utilize any and all energy consumption information and data. I understand that this information will be used to evaluate energy use patterns for the purpose of measuring energy performance and determining the potential and actual energy savings resulting from evaluated or implemented energy projects. I agree to cooperate with activities designed to evaluate program effectiveness, such as responding to questionnaires and allowing on-site inspection and measurement of installed measures. I understand that NYSERDA is subject to the NYS Freedom of Information Law, Public Officers law, Article 6, and that NYSERDA cannot guarantee confidentiality of any information submitted.

I, the Applicant, agree and authorize the sharing of the applicant-participant-customer's information and/or project-level information with New York State Department of Public Service Staff and appropriate local utility, including its agents or authorized representatives, in carrying out its responsibilities under New York State Public Service Commission orders. (For clarity, the term project level includes the information based on the scope of the project, including, but not limited to, whole building, building or subsets of the project)

NYSERDA reserves the right to publish de-identified project data. NYSERDA shall follow New York State's Data Governance policy [NYS- S14-002 and NYS P03-002] for classification of information and no personally identifiable information shall be published
