

RENEW AMERICA'S NONPROFITS APPLICANT TIMELINE GUIDANCE

1

APPLY FOR A UEI NUMBER

Have a SAM.gov / UEI registration number, this is required to be an eligible applicant. Go to [SAM.gov](https://sam.gov) to create a registration number.

Estimated time: 10 days

3

GET A GREEN JOBS GREEN NY (GJGNY) ENERGY STUDY

We encourage you to submit an application for a [GJGNY energy study](#) while you are waiting for the our feedback. Having an energy study done will lead to a higher application score.

[GJGNY energy study application](#)

For estimated time please view the pdf linked above.

5

LAST DAY OF SUBMISSION: MAY 1, 2025

The last day we are accepting applications will be on Thursday May 1, 2025. The entirety of the application should be filled and submitted.

2

SUBMIT FIRST 2 PAGES OF APPLICATION

Complete & submit the first two pages of the [RAN application](#). To be an eligible candidate you must meet all the requirements indicated by the red asterisks on JotForm. Please click through all pages of the application until you reach the green submit button for submission.

Estimated time for DOE Feedback : 3 - 4 weeks

4

FILL OUT THE REMAINING QUESTIONS OF THE APPLICATION

Once you have received eligibility confirmation and gone over your energy study and project plan, fill out the remaining pages of the RAN application. These remaining questions are what your application will be scored on. [Scorecard and perfect point examples listed here](#). For technical assistance, tools & resources please go to <https://bit.ly/RANSW> under Webinars & Helpful Resources.
